

USER MANUAL – PATIENT USPARK

LOGIN AND SETUP ACCOUNT:

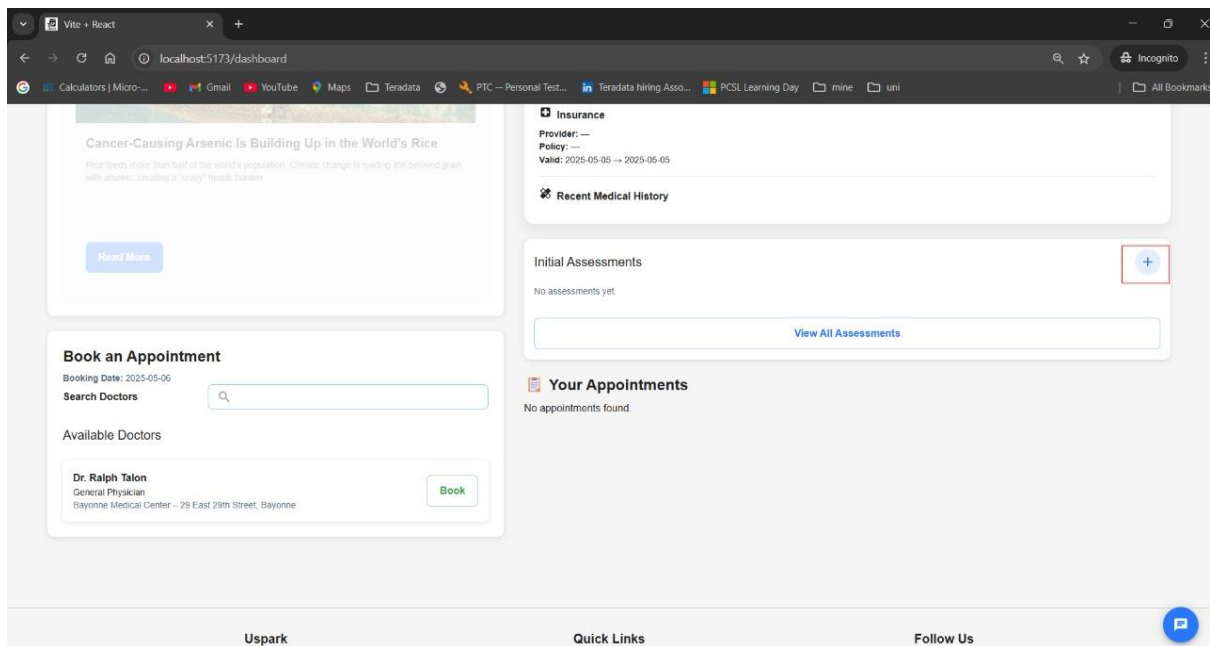

Once all the login details have been entered, you are directed to onboarding page where Select Patient is to be selected to create a patient profile.

ONBOARDING:

A screenshot of the Uspark onboarding page. The browser's address bar shows 'localhost:5173/onboarding'. The page has a header with the Uspark logo and navigation links 'About Us' and 'Contact Us'. The main content area is titled 'Patient Health Questionnaire' and contains a form with the following fields: 'Name' (filled with 'Rathan Singavarapu'), 'Age' (filled with '34'), 'Sex' (filled with 'Male'), 'Height (cm)' (filled with '190'), 'Weight (kg)' (filled with '80'), and 'Health Issues' (filled with 'Back pain'). There is a 'Back pain' button next to the 'Health Issues' field. A blue 'Submit' button is at the bottom left of the form. To the right of the form is a large circular placeholder for a profile picture, showing a cartoon illustration of a man with a mustache and a red shirt.

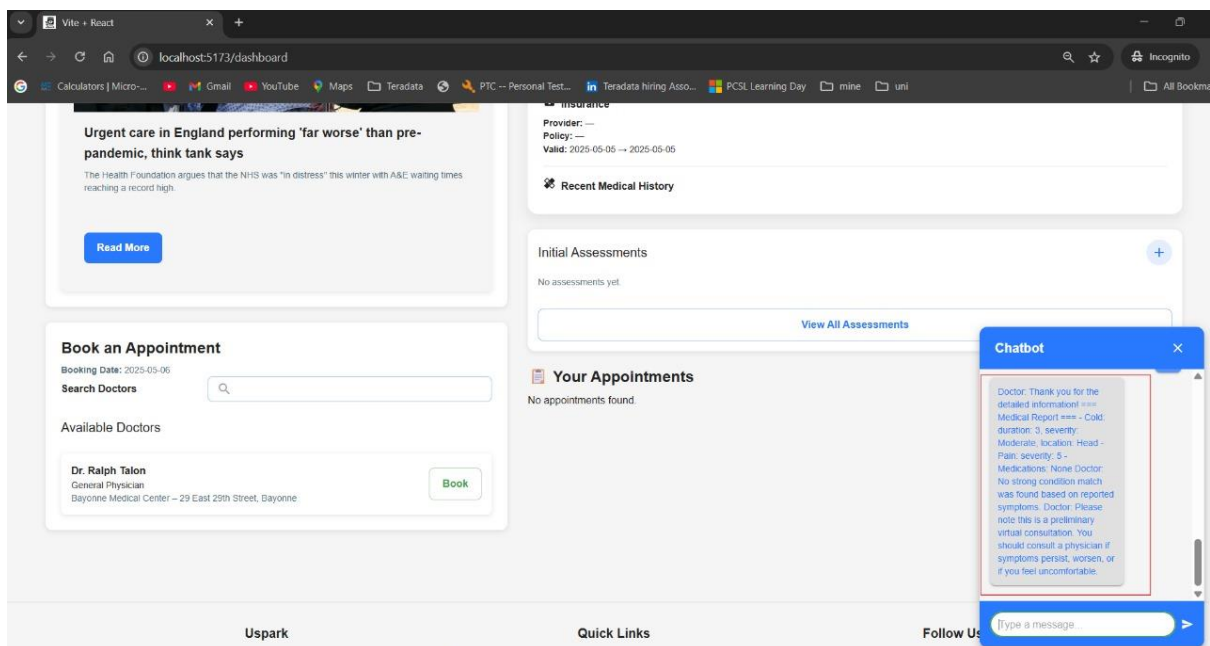

All the details for onboarding are to be filled and click on submit to onboard yourself as patient.

TAKING INITIAL ASSESMENT:

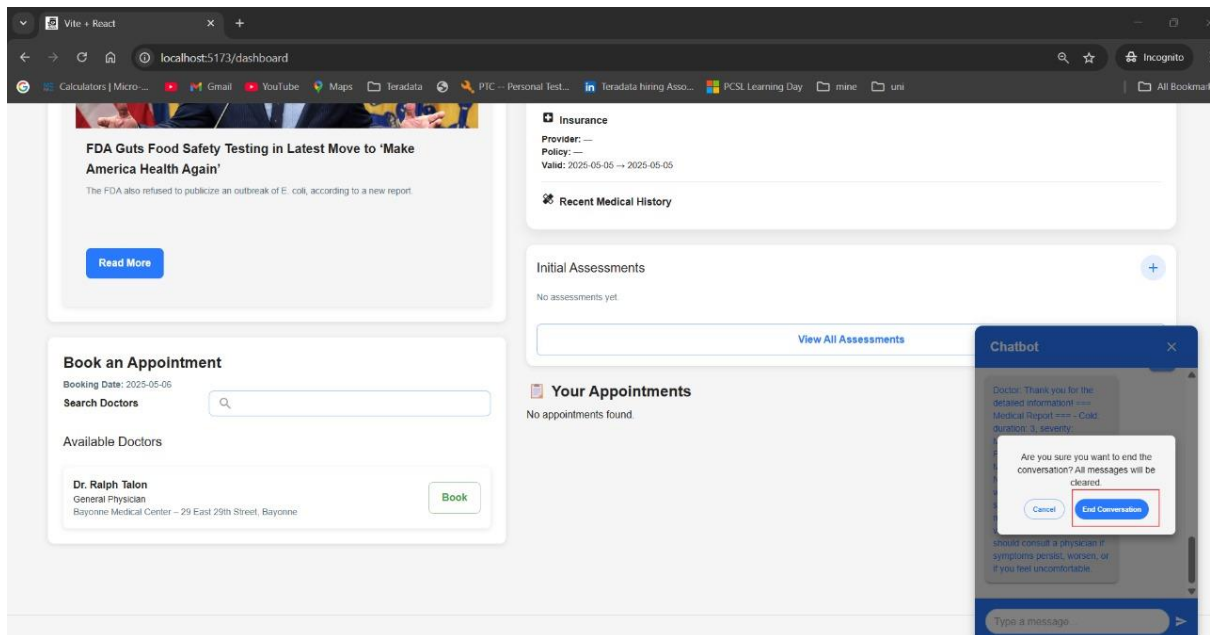

After onboarding process is done, you can take initial assessment by clicking on the '+' icon. This opens the chatbot so that you can chat to take the assessment.

CHATBOT:

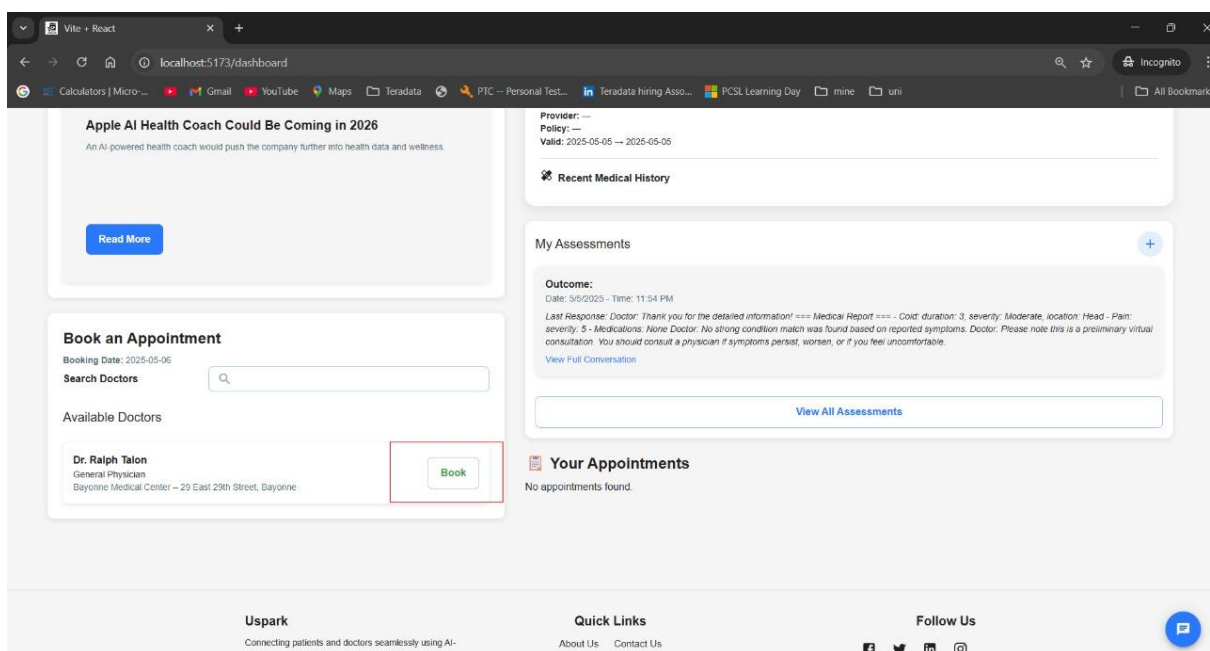

You can chat with the chatbot, which looks like the above image.

END CONVERSATION:

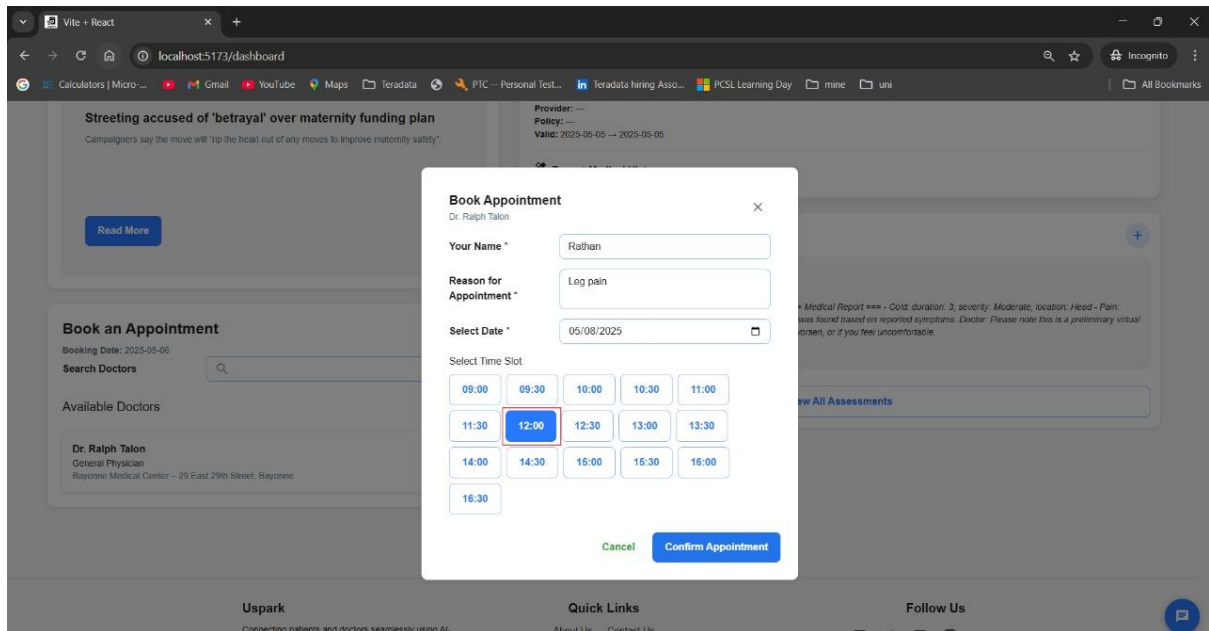

End the conversation by choosing the end conservation button.

MAKING APPOINTMENT:

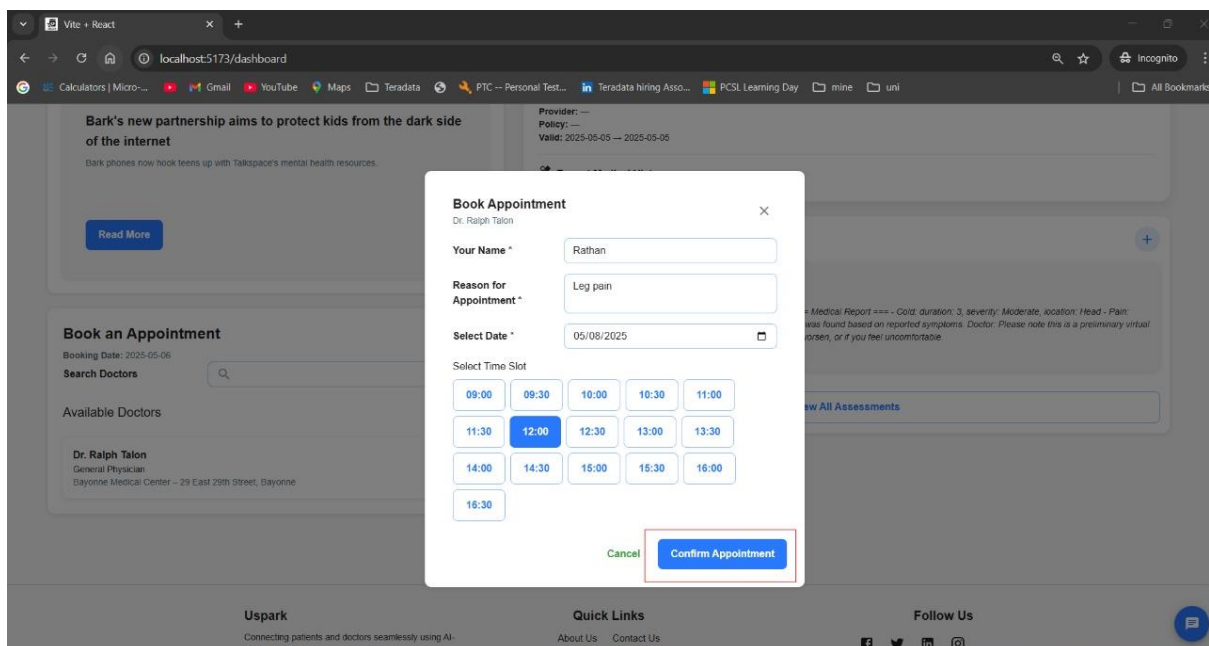

You can book the appointment by clicking on the book button on the left side of the screen, that takes to the appointment booking interface.

BOOKING INTERFACE:

When the appointment book interface opens, the available time slots can be seen and booking can be made by selecting the time slot.

CONFIRM APPOINTMENT:

Confirm the appointment by clicking on the confirm appointment button.

After going to the profile, we can update the profile.

Add the medical history by clicking on add medical history button.

SAVE MEDICAL HISTORY:

The screenshot shows a web browser window with the URL `localhost:5173/profile`. The main page has sections for 'Insurance Details' and 'Medical History'. A modal titled 'Add Medical History' is open in the center. The modal contains the following fields: 'Diagnosed By' (text input), 'Diagnosed At' (text input), 'Insurance Used' (text input), 'Prescription Details' (text input), 'Doctor/Patient Notes' (text input), 'Follow-up Date' (date picker showing '05/06/2025'), 'Duration of Treatment' (text input), 'Referred By' (text input), and 'Medical Attachments' (a dashed box with a file upload icon and the text 'Drag & drop files here or click to upload'). At the bottom of the modal are 'Cancel' and 'Save' buttons. The 'Save' button is highlighted with a red box.

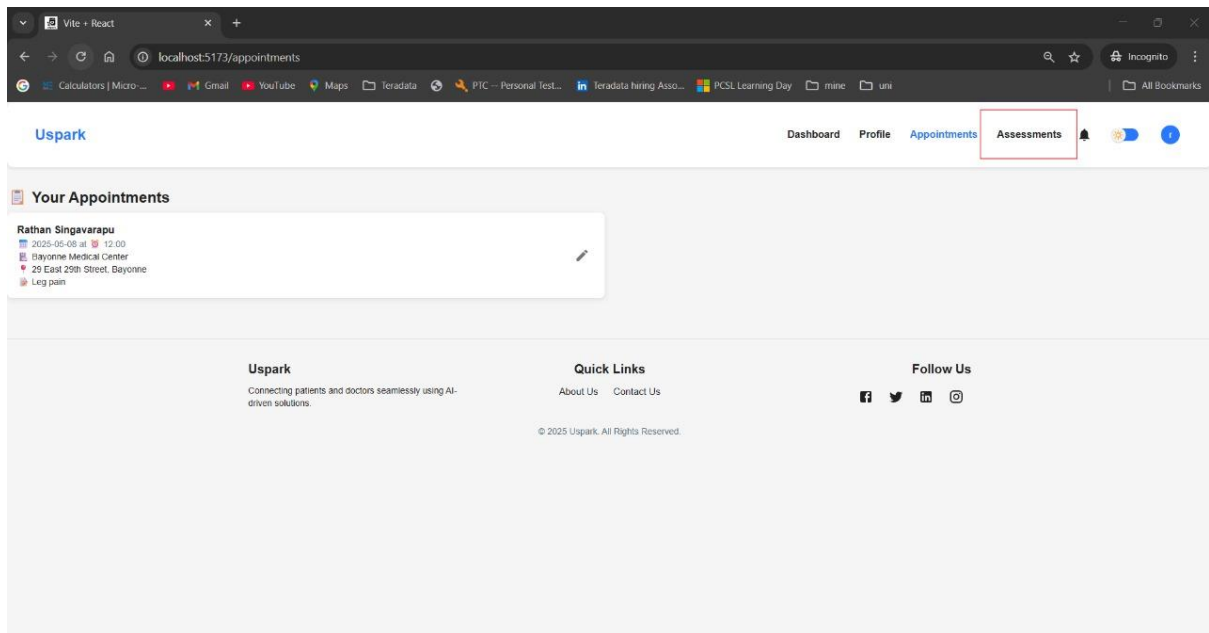

Fill in the needed details and save the details by clicking save button.

VIEW APPOINTMENTS:

The screenshot shows the 'Uspark' web application with the URL `localhost:5173/appointments`. The navigation bar includes 'Dashboard', 'Profile', 'Appointments' (highlighted with a red box), and 'Assessments'. The main content area is titled 'Your Appointments' and displays a single appointment for 'Rathan Singavarapu' on '2025-05-09 at 12:00' at 'Bayonne Medical Center'. The appointment details include the address '29 East 29th Street, Bayonne' and a 'Log pain' button. The footer contains the Uspark logo, 'Quick Links' (About Us, Contact Us), and 'Follow Us' social media icons. The copyright notice '© 2025 Uspark. All Rights Reserved.' is also present.

View the appointments of the patient by clicking on appointments button on the header of the patient dashboard.

VIEW ASSESMENTS:

View the assessments of the patient by clicking on assessments button on the header of the patient dashboard
